Miscellaneous No 3564. Revenue Department

Proceedings of the Board of Revenue
dated 12th June 1873

Read the following:-

No 146.

From The Acting Master of Salem

To the Secretary to the Board of Revenue
Madras.

Sir, I have the honor to return Boards Petitions Nos 959 and 999 of 1873, and to submit the report called for in Endorsement dated 10th Instant.

2 When Mr Longley was at Ossoor in December last, he spoke to me in regarding Bheema Row, who was formerly Salary Shirestadar under me, and who was promoted to the Deputy Tahsildar of Omalore by Mr Corbett. From what I gathered from Mr Longley, he thought Bheema Row wanting in energy and attention to his duties and lethargic. I told him that I had never found him so, but that the man had

had a dull stolid manner about him, which perhaps might give rise to the impression that he was an indifferent officer. Sheemakow paid me a visit afterwards, and I told him that I was sorry to hear that he had not given satisfaction to the Collector. He assured me that he had done his best, but had been for some time ill with fever, and I advised him to go and have a personal interview with Mr Longley, and to promise that he would be more Energetic for the future. He does not appear to have done this.

3. My predecessor as Sub Collector Mr Thomas, gave Sheemakow an excellent character, and I found him whilst with me always correct and careful in both his Revenue and Magisterial Capacity. He was, however, slow and deliberate, which I do not consider a fault. He is

not a man ready with an excuse at a moments notice, or with information right or wrong, as soon as called for; he is stumbling in his speech and not over careful to speak in a polite and deferential manner; but I consider him a good workman and very well conducted. He, of course, like is twenty nine out of a hundred Native Subordinates, requires an occasional looking up, but there is more than one man in this District holding a higher position, who in my opinion, is his inferior in application and ability.

4. With all deference to Mr Longley's views, I consider that this Officer has been harshly dealt with. He was really ill with Omalur fever which is a very bad one, and some allowance should have been made for his state of health.

5. If the Board decides to restore Sheemakow, I would suggest that he should be transferred to Vaniambadi, the Deputy Tahsildar of that place, Moses Pillay, being sent to Omalur.

This

This man has been reported by the acting Head Assistant Collector as being extremely negligent as a Revenue Officer, and very ingudicious and hot-headed in his performance of his magisterial duties, and I think it advisable that he should quit Vaniambadi
