No. 82. Read the following letter from G. THORNHILL, Esq., 3rd Member, Revenue Board, for Inam Commissioner, to the Hon. R. A. DALYELL, Acting Secretary to Government, Revenue Department, dated Madras, 31st October 1873, No. 544 :—

I HAVE the honour to report on the budget requirements of the Inam Commission for 1874-75.

2. The sum sanctioned for the current year is Rs. 6,600, but the whole sum is not likely to be spent, as it is not probable that any Village Service Inams will be brought under settlement during the year.

G. O., dated 17th December 1872, No. 1,687.

3. The sum required for 1874-75 is estimated at Rs. 6,200, as shown in the margin.

	1873-74.	1874-75.
	RS.	RS.
On account of permanent establishment	3,300	3,444
For the settlement of Village Service Inams, that is, for copying registers, preparing title-deeds, etc.	2,000	2,000
For copying registers of personal Inams	1,000	500
For binding registers and other contingent charges	300	256
	6,600	6,200

4. The provision made for establishment is Rs. 144 in excess of the current year's sanction. Owing to the discontinuance of the two Assistants to the Munshees, the work of the only Accountant in the office has considerably increased, and I have, therefore, thought it fair that his pay should be slightly increased, and have accordingly provided for him a salary of Rs. 35 instead of Rs. 25, and request that the increase may be sanctioned. I have also provided for an increase of Rs. 2 to the pay of the only one peon attached to this office. His present salary is Rs. 5 per mensem, which is barely enough for his subsistence, and which is considerably lower than the salary ordinarily given to peons in any of the offices at Madras.

5. With the two exceptions above noticed, the provision for establishment for 1874-75 is exactly the same as that sanctioned for the current year, and this appears to be actually necessary. The quantity of work done during the current year is shown in the margin, and it is likely that there will be more work to be done in 1874-75, as the Village Service Inams in the districts of Kistna, Nellore, Salem, and Tinnevelly, are likely to bebrought under settlement.

Letters received	600
,, despatched	620
Petitions disposed of	442
Cases reviewed	1,500
Title-deeds issued	1,750

6. The sum provided for the settlement of Village Service Inams is on account of the extra establishment required for preparing title-deeds and quit-rent registers and copying registers. I assume that the settlement of these Service Inams will be made by the Collectors, and that no special Deputy-Collector will be required.

7. The amounts entered for copying registers of personal Inams and for contingencies are small and call for no remark.
