	Part of the Beriz Muli Wurg No. 24 situated at Karandur village in Aladangdy Taluq, Mangalore Taluq.	Aladangdy Ajalar. The ancestors of the said Ajalar were the Poligars of Aladangdy, etc., in all 13 Maganies. The Somanak-hara Rajah having resumed all these countries made a grant of Hoons 500-2-8 (Rupees 2,001) in the Ajalar's favour. During the Government of Hyder Nizam 440-2-8 of this amount were zifted and land a of Hoons 60 was allowed to Vanoor Pandayap Ajala, the then Poligar, agreeably to the order issued by Nizam Hyder Ali Khan to Sheikh Ali on the 9th Jeshtha Shoodh of the year Sarvajeeth (10th June 1767). Subsequently Hoons 9-7-8 having been zifted during the Government of Tipu, there remained Hoons 60-2-8, which has been continued up to this time.	Charitable, for the support of the family.	Timmanna Arasa Ajalar, 3rd October 1871. Relation cannot be made out.	Rupees 201 annually. No other member enjoyed any portion of this.	1. Sarasamma, widow of the deceased holder. 14 years. 2. Shrivadev, daughter of the deceased holder. 15 years. 3. Padmaraja, son of ditto. 13 years. 4. Darumamma, daughter of ditto. 8 years. For subsistence they depend upon the Inam as well as the produce of lands.	This is a Political Inam, and was formerly paid in the form of deduction from the assessment. But under instructions from Government issued in paragraph 28 of their order, dated 12th September 1867, No. 2164, this was brought under audit. The demised holder was taken into the family by adoption in consequence of the failure of heirs. It was under the right of adoption, therefore, that he acquired the title (Pritam). Padmaraja, deceased's son by the first wife, has since been installed by the villagers, and has also received the hereditary title of Pandayappa Arasa Ajalar. This is an hereditary Inam, and I therefore recommend that it should be continued to the said Pandayappa Arasa Ajalar from the date of the demise of Timman-nasa Ajalar. I also solicit sanction for the disbursement of the arrears of pension due to the deceased to the said Pandayappa Arasa Ajalar.		

Proceedings of the Madras Government, Revenue Department,
30th January 1873.

Subject to the confirmation of Government, the Board sanction the continuance of the allowance to Padmaraja, son of the last incumbent, and subject to the audit of the Accountant-General they authorize payment of the arrears.

2. The grant is hereditary and belongs to the class referred to in the last paragraph of G. O., dated 13th September 1867, No. 2,164.

No. 253.

ORDER THEREON, 30th January 1873, No. 127.

Miscellaneous.

This allowance, being hereditary, is continued to deceased's son, as proposed, with payment of arrears. The Collector calls it in one place an *Inan*, in another a *pension*. The latter is the correct description, as the allowance is paid in cash from the treasury, and is not an assignment of land revenue.

2. The Board of Revenue will expedite the preparation of the Rules which they have been requested to submit for approval under Section 14 of the "Pensions Act, 1871."
