Official Memo

Petition No. 3 of 1871

Petitioner complains against the order issued by the Field Assistant Collector fixing a tax of one Rupee per acre on lands not included in the Title Deed issued to him by the Luan Department and also against the restriction, which prevents him from cutting woods in the jungles of his Village.

2. The Luan Commissioner is of opinion that in hill villages similar to the one now in dispute, the extent confirmed was not intended to be restricted to that under cultivation. All Poramboke of whatever description, consisting of forest land and the like within the recognized limits of the village, is the property of the Luanlar. In the case of the Peripokobu

Jay

Jaghir, the Government have rented the village from the Zamindar for forest conservancy, and it will be unjust to deprive Nayakam of its right to the forest lands within its boundaries. The correction made on the report of the Tarpattoor Tahsildar in the Title Deed, though in accordance with the accounts of cultivation must not be held to deprive the Zamindar of his undoubted right to the lands within recognized boundaries.

To remove doubts the words besides Poramboke have been now added in the Title Deed as is usually done in the case of all entire Zam Village.

4. If the Collector of Salem concurs in the view of the Salem Commissioner, he is requested to have the Title Deed delivered to the party concerned with the other enclosures and also to have the requisite orders issued to the local authorities in order to prevent further

interference with the Poramboke lands of the Petitioner. If the Collector does not concur, he is requested to state his views at length in reply.
