Proceedings of the Madras Government, Revenue Department, 26th November 1873.

No. 157. Read the following Proceedings of the Board of Revenue, dated 10th November 1873, Miscellaneous No. 7,636 :—

Read again letter from the Acting Collector of South Arcot, dated 2nd October 1873, recorded in Board's Proceedings, dated 15th October 1873, Miscellaneous No. 6,988.

Read also the following letter from H. E. SULLIVAN, Esq., Acting Collector of South Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cuddalore, 25th October 1873, No. 415.

With reference to Board's Proceedings, dated 15th instant, Miscellaneous No. 6,988, I have the honour to point out that the plan and estimate for the enlargement of the Head Assistant Collector's Office were not submitted in the first instance because the proximate cost of the work exceeds 500 Rs., and paragraph 85 of the Public Works Code, Chapter V., lays down that in such cases the estimate, etc., is not to be prepared until the proposition has been approved by Government. The attention of Collectors was pointedly drawn to this procedure in G. O., 24th March last, No. 916, Public Works Department, circulated with the Board's Proceedings of the 5th April 1873, Miscellaneous No. 2,065.

The Collector is right. His former letter will be submitted for the favourable consideration of Government.

2. The Head Assistant Collector's Office has no record-room, and it is proposed to build one at a cost of Rs. 900.

Enclosure No. 1.

Proceedings of the Board of Revenue, dated 15th October 1873, Miscellaneous No. 6,988.

Read the following letter from H. E. SULLIVAN, Esq., Acting Collector of South Arcot, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Cuddalore, 2nd October 1873, No. 365.

I have the honour to request that the sanction of Government may be obtained for enlarging the Head Assistant Collector's Office at Tindivanam at a cost of 900, so as to afford better accommodation for the clerks and records.

2. "At present," writes the Head Assistant, "there is no record-room. The papers are heaped together in the clerks' room, leaving the latter a space of a few square feet to sit in, whilst the documents are gathered round them in such numbers, and are so unprotected that the windows cannot be opened for fear of their being misplaced or lost. The ventilation, under these circumstances, can better be imagined than described."

3. On the proposal being approved by Government, the required plan and estimate will be submitted by the District Engineer.

Plan and estimate should first be obtained.
