SIR,

In reply to Board's Proceedings dated 21st Instant Miscellaneous No. 1089, I have the honor to state that Sultan Mahomed Saib is above 30 years of age, and is too old to study with success the several subjects prescribed for the Un-Covenanted Civil Service Examination. He was not educated in the public Schools, and did not in his youth learn history or geography, or other subjects in which young men of the present day are systematically taught

with

with Special reference to these Examinations. I recommend him to be Exempted from the General Test and have no doubt that with the present knowledge of Official duties he will be able to pass the Special Tests prescribed for higher Appointments.

2 I may add here that Sultan Mahomed Saib has been drawing 5 Rupees extra allowance from the Treasury Deputy Collector in the Money Order Department in which he showed himself useful but under the New Rules which have come into force from the 1st instant this allowance has been discontinued.

I have the honorable &c

Collr Office 27th / Collector.
February 1873

Probably the fact that Sultan Mahomed has had no regular Education renders his passing the usual tests more than doubtful, though his age is no greater than 30. Under the Circumstances stated by the Collector, the Board resolves to submit the application for the favorable Consideration of Government.

Sir,

I have the honor to submit for the favorable consideration of the Board the case of Sultan Mahomed Saib, a Vernacular Clerk in this Office, and request that he may be exempted from the Examination Rules. He is well acquainted with English and has been six years in the Government Service. He is of great use in translating Hindustani petitions &c., and when necessary in interpreting in Magisterial Cases, as well as on occasions of interviews with the
