No. 30. Read the following Proceedings of the Board of Revenue, dated 20th October 1873, Miscellaneous.

Read petition No. 1,882 of 1873 from Zoram Bee, Yeomiah Pensioner, No. 405, of Vellore, North Arcot District, praying that her allowance may be paid her in money from the treasury.

THE Board resolve to submit the enclosed petition to Government with the following remarks :—

2. According to petitioner's statement, she held a Religious Service Yeomiah of Rs. 53-15-10 per annum, which was commuted into an assignment of land-revenue in 1870 with reference to the Board's Circular, dated 9th July 1863, No. 83. With this arrangement she is dissatisfied, because she is old and sickly, and the land being in a village where she does not reside herself and where she has no friends, she is unable to collect the rent.

3. On these grounds she desires that money-payment from the treasury be reverted to if possible; otherwise, that an assignment of land-revenue in the village of Kistnapuram be substituted for the one she now holds. In regard to this latter proposal, she has been informed* by the Collector that the ryots of the village in question do not consent to it. It is to be observed that their consent, though desirable, is not necessary.

* Endorsement, 20th January 1872.

4. Petitioner's request to revert to cash-payment from the treasury is submitted to Government, with the recommendation of the Board that it be granted under the circumstances of the case.

No. 31. ORDER THEREON, 3rd December 1873, No. 1,340.
