Proceedings of the Madras Government, Revenue Department,
8th December 1873.

No. 100. Read the following Proceedings of the Board of Revenue, dated 28th November 1873, Miscellaneous No. 8,195 :—

Read the following letter from H. R. FARMER, Esq., Acting Head Assistant Collector of Kurnool, to J. HOPE, Esq., Acting Collector of Kurnool, dated Markapur Taluq, 6th November 1873, No. 377.

In continuation of my letter, No. 361, dated 31st ultimo, I have the honour to inform you that I reached the northern part of the taluq where distress was supposed to prevail on the 4th instant.

2. I have gone over the villages of Gurujipalli, Visvanathapuram, Vathampalli, Bollapalli, and Sarooypalli. I examined the stores of grain in eight or ten houses in each village. I questioned the labouring people who do not possess stores of grain as to their condition. I have carefully noted the state of the crops. I have satisfied myself about the export and import operations of the grain dealers.

3. The result is that I find the villages visited to be in an exceptionally prosperous and contented state; want is quite unknown and the people are too independent to simulate it, although they know the cause of my coming. The ryots have plenty of last year's grain in their houses, and the new cumboo crop is reaped and stacked in the fields. The Komaties find that the ryots and the labourers are independent of grain dealers and so are exporting grain to Nellore. The crops look very promising.

4. I start from here to Trepu[illegible] to-m[illegible]ning and shall [illegible] to you further in a day or two.

Sir,

I have the honour to forward herewith a petition dated 31st ultimo from the Lambardar of Mauza Kotla Jamal Khan Tahsil Kot Sultan praying that the Patwari of the Village may be removed and another appointed in his place. I am also to forward a report on the petition by the Tahsildar of Kot Sultan.

2. I have gone over the Village and find that the Patwari is a very bad character and that the Lambardar's complaint is not without foundation. I would therefore recommend that the Patwari be removed and that Ghulam Qadir Lambardar be appointed in his place.
