Read again Board's Proceedings, dated 18th September 1873, Miscellaneous No. 6,151, on the subject of certain proposed additions to the Taluq Cutcherry at Ramachendrapur, in the Godavery District.

Read also the following letter from W. S. FOSTER, Esq., Acting Collector of the Godavery District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cocanada, 30th October 1873, No. 357.

Referring to the Board's Proceedings of the 18th ultimo, Miscellaneous No. 6,151, I have the honour to forward an estimate prepared under the orders of the District Engineer for the proposed alterations to the Ramachendrapur Talsildar's Cutcherry. The plan and specification forwarded by the District Engineer are also enclosed.

Before sending on the estimate, the Board resolve to submit to Government the Collector's letter of the 30th August 1873, No. 280.

2. It seems to the Board very desirable to increase the accommodation of the Taluq Cutcherry at Ramachendrapur. The proposed additions can be made at a cost of about Rupees 1,200.

No. 117. Order thereon, 10th December 1873, No. 1,084.

Miscellaneous.

The Government concur with the Board in considering increased accommodation in the Taluq Cutcherry at Ramachendrapur necessary, but the manner in which it is proposed to provide it is objectionable.

2. The accommodation is stated to be required chiefly for "the Curnams and villagers who come at Jamabandy and other times in large numbers to prepare accounts, etc.," and the noise and bustle necessarily attending such gatherings will impede the transaction of public business in the cutcherry if they assemble in the verandahs close to the Tahsildar's, Sheristadar's, and Gumastah's rooms. Besides, the proximity of one of the proposed verandahs to the room allotted for sentenced prisoners (*women*) will prove a serious evil.

3. Under these circumstances, a separate inexpensive shed will be preferable, and the Board will instruct the Collector to take steps in due course to provide such a building.

Under date the 10 December 1873.

Read the following Proceedings of
the Board of Revenue.

Representation of Collector of Godavery to execute certain proposed publications & Submitted to Government Consult Board's despatch ——— dated 21st November 1873 No. 7952.

The Government concur with the Board in considering increased accommodation in the Tadey Cuttaburg at Rajamundry necessary, but the manner in which it is proposed to provide it is objectionable.

2. The accommodation is stated to be required chiefly for the farmers and village ryots who come at harvesting and

other lines in large numbers to prepare accounts &c. and the noise and bustle necessarily attending such gatherings will impede the transaction of public business in the Collectors if they assemble in the Veranda close to the Sahebdars Sherestadars and Gomastahs room. Besides the proximity of one of the proposed verandahs to the room allotted for pardanced prisoners (women) will prove a perpetual evil.

3. Under these circumstances a separate inexpensive shed will be preferable, and the Board will instruct the Collector to take steps in due course to provide such a building.
