*Proceedings of the Madras Government, Revenue Department,
6th January 1873.*

Read the following Telegrams:—

From Collector of Ganjam, Berhampore, to Secretary to Government, Revenue Department, Madras, dated 1st January 1873.

No rain or freshes. Paddy being reaped. Dry crops in good condition. Paddy still imported from Pooree, Cuttack. Fodder abundant. Prices falling. Dengue at Berhampore. Fever and cattle-disease in places.

From Collector of Vizagapatam, to Secretary to Government, Revenue Department, Madras, dated 31st December 1872.

No rain during the past week. Water-supply good. Slight fall in prices. Market well supplied. Fever in three taluqs. No Cholera. Health of cattle good. Pasture abundant.

From Collector of Godavery, Cocanada, to Secretary to Government, Revenue Department, Madras, dated 1st January 1873.

No rain. Tanks and Canals full. Later dry crops flourishing. Pasture good. Markets well supplied. Prices stationary. No cholera. Small-pox, fever, and cattle-disease continue. "Depth of water at Godavery anicut eight feet."

From Acting Collector of Kistna, Masulipatam, to Secretary to Government, Revenue Department, Madras, dated 1st January 1873.

No rain. "About four feet water over anicut." Water-supply good. Later dry and garden crops sowing. Standing crops fair except in lowlying places. Little harvesting. Outturn half to three-fourths. Prices rising in Bapatla, steady elsewhere. Public health good. Small-pox and fever continue. Little cattle-disease. Pasture sufficient. Markets well supplied, chiefly locally.

From Collector of Kurnool, to Secretary to Government, Revenue Department, Madras, dated 1st January 1873.

SEASON not favourable. No rain in Kurnool or in the district. Untimely rain about beginning of December almost destroyed standing crops in several taluqs. Markets generally full. Prices almost stationary. Pasture and water plentiful. Fever prevalent. A few cases of dengue in Patticonda and Peapally. Cattle generally healthy. "No water over Sunkesala Anicut since ten days."

From Treasury Deputy-Collector of Tanjore, to Secretary to Government, Revenue Department, Madras, dated 1st January 1873.

RAIN at Negapatam 2 decimal 07 inches, at other places scanty. Rivers low. Supply to tanks moderate. Standing crops good. Inferior paddy harvested. Outturn fair. Pasture ample. Markets sufficiently supplied. Prices slightly declining. Public health generally good. Small-pox in some taluqs. Dengue in Tanjore and Negapatam. Cattle healthy.

From Collector of Trichinopoly, to Secretary to Government, Revenue Department, Madras, dated 1st January 1873.

SLIGHT rain throughout the district till 23rd ultimo. Water-supply sufficient. Crops generally good but injured by excess of rain. Outturn fair. Markets well supplied. Prices

*Proceedings of the Madras Government, Revenue Department,
6th January 1873.*

steady. Public health generally good. Condition of cattle generally good, but some disease amongst sheep reported. Pasture sufficient. No returns from Kulithalay and Udayarpalaiyam and Trichinopoly.
