Proceedings of the Madras Government, Revenue Department, 12th December 1873.

No. 150. Read the following Proceedings of the Board of Revenue, dated 26th September 1873, No. 1,948 :—

Read the following letter from the Hon. D. ARBUTHNOTT, Collector of Tanjore, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Trivadi, 4th September 1873, No. 326:—

I HAVE the honour to forward, herewith, copy of a letter with its enclosures from Mr. Stokes, the Sub-Collector of this district, recommending an increase to the establishment and salary of the Sea-Customs Superintendent at Negapatam.

2. Since the last revision of the Sea-Customs establishment in 1860, the trade of the Negapatam port has more than doubled, as will be seen from the figures marginally entered, owing to the introduction of the Great Southern of India Railway, and the scale of establishment then fixed is now found to be inadequate to the increased amount of work devolving upon it.

	Rs.
Average value of exports and imports during the five years previous to the last revision of Sea-Customs Establishment	2,481,646
Average collections during the last five years	5,489,189

3. The additional hands applied for are three in number, one clerk on Rupees 25, one on Rupees 15, and a peon on Rupees 8 per mensem, and I am of opinion that the entertainment of this establishment is absolutely necessary.

4. I think also it is equally necessary that the salary of the Superintendent should be increased from Rupees 100 to Rupees 150 per mensem. Negapatam is a port, the importance of which is daily increasing, and it is therefore desirable not less on account of the necessity for placing the Superintendent above temptation and rendering the position respectable in the eyes of the mercantile community, than on account of the increased duties resulting from the extension of commerce, that his emoluments should be increased. The cost of the establishment on the scale now purposed amounts to Rupees 3,986 per annum or, as pointed out by Mr. Stokes, about $1\frac{1}{2}$ per cent. of the revenue derived from the port.

5. As regards Maunikkam Pillai, the present Sea-Customs Superintendent, I can, from what I have seen, endorse the opinion expressed by Mr. Stokes regarding his character and abilities.

6. I beg therefore strongly to recommend that the Board will be pleased to obtain sanction to Mr. Stokes' proposal.

7. I beg also to forward two statements, showing the value of trade and the amount of collections in the port of Negapatam and its subordinate port, port Velanganni, during the year 1859—73.

ENCLOSURE No. 1.—Copy of letter of Sub-Collector, dated 16th May 1873, No. 186.

ENCLOSURE No. 2.—Letter from Superintendent of Sea-Customs.

ENCLOSURES Nos. 3 and 4.—Statements.

Proceedings of the Madras Government, Revenue Department,
12th December 1873.

Submitted for the favourable consideration of Government.

2. The statements which accompany the Collector's letter and shew the value of the trade carried on at Negapatam and since the opening of the Rail-road and the large amount of duty collected, constitute an unanswerable argument in support of the Collector's proposal to raise the salary of the Sea-Customs Superintendent from Rupees 100 to 150 and to add two clerks one on 25 Rupees and a second on 15 Rupees together with a peon on 8 Rupees to the establishment.

3. The amount of labour and responsibility devolving on a Sea-Custom officer are to be measured as the Sub-Collector observes by the quantity of duty bearing goods which passes through the Custom-house and by the revenue levied in them rather than by the gross value of untaxed and taxed exports and imports, and according to this test Negapatam is now the most important of our out-ports.

4. The increased establishment will still be a very small charge on the Revenue of the Port, (1½ per cent). The Board observe with satisfactin that the Sea-Customs Superintendent is spoken of in terms which shew that his services will be by no means over-paid by a salary of Rupees 150.

No. 151. Order thereon, 12th December 1873, No. 1,403.

Miscellaneous.

The Sea-Custom establishments of the Presidency were revised in 1862, and the Superintendents of all first class ports were provided with the salary of Rs. 100 each per mensem although some of them receive additional allowances as Conservators of Ports. The establishments were also fixed with reference to the requirements of each port, and the trade of Negapatam is not more than that of some of the other ports with the same establishments. Under these circumstances the Government are not disposed to entertain the application before them for increasing the cost of the Sea-Customs establishment at Negapatam.
