

submitted by the Director of Revenue

THE Board do not consider that the Collector's estimate for 1873-74 is excessive.

2. The increase over the sanctioned grant for 1872-73 consists of the following items:—

	RS.
(1.) Salary and allowances of the additional Sub-Collector appointed by Government for the despatch of current duties while Mr. Puckle is engaged on the Settlement ...	13,983
(2.) Salary and travelling allowance of the Special Assistant Venkata Charri placed under Mr. Puckle under Board's Proceedings dated 17th July 1872, No. 1,342, recorded in G. O. dated 6th September 1872, No. 1,289 ...	8,300
(3.) Preparing, printing, and binding of the Settlement Registers ...	10,450
(4.) Contingencies, etc ...	1,159
Total...	33,892

3. Mr. Puckle evidently considers that the services of the additional Sub-Collector and Special Assistant will be required for the whole year, and consequently no reduction can be made in the Items 1 and 2.

4. The provision made for the cost of preparing and printing Settlement Registers (Item 3) is moderate, but it appears as an increase, as no provision was made on this account in 1872-73 in consequence of there having been no necessity for the same.

5. The increase under Item 4 is small and calls for no remark. The Collector does not give any explanation.
