COLLECTOR'S OFFICE.

Cuddalore

3^d July 1873.

From

H. E. Sullivan Esq

Acting Collector of South Arcot.

To

R. A. Dalyell Esq

Secretary to Government
Revenue Department
Madras.

Sir,

I have the honor
to state that in a letter dated
23^d May last, the Salt Deputy
Collector brought to my notice
the theft from the Koundaroo
Salt pans, on the night of
the 19th instant, of the following
implements, used in the
manufacture of Salt, the
property of certain Salt ryots.

2. Pickata levers.
2. Pickata Suspenders.
5. Pickata tubs and
- 3 ropes.

Yours
H. E. Sullivan

2. On receipt of Mr. Finner's letter I forwarded it to the Superintendent of Police asking his serious attention to the theft which it was plain could not have taken place had the Police not neglected their duty, and I suggested that the value of the articles stolen should be recovered from the pay of the Police men who were on guard at Pandadoo on the night in question and the amount be made over to the Deputy Collector for disbursement to the owners.

3. In reply Captain Young forwarded to me a letter

letter from his Assistant Superintendent in which the latter officer informs him that he had punished the Head Constable of the Station and the Constables within whose beat the theft occurred, and on my again requesting the recovery of the value of the articles from the pay of the men he writes to say that although the loss of pay incurred by the Constables' negligence exceeds the value of the articles stolen he is not at liberty to hand over the amount to the sufferers

as

as all the fines are credited to Government.

4. Under these circumstances I request the sanction of Government to the disbursement of the value (amounting to Rupees 1-1-3) of the stolen implements to the owners, Salt ryots, who have sustained heavy losses by the failure in the manufacture of salt this season.

I have the honor to be
