*Proceedings of the Madras Government, Public Works Department,
22nd September 1873.*

No. 342. Read the following Proceedings of the Board of Revenue, dated 2nd August 1873, No. 1,472 :—

ABSTRACT.—*Public Works* in Madura District.—Report from Collector on progress of—during 1872-73 submitted to Government with remarks.

No. 343. ORDER THEREON, 22nd September 1873, No. 2,343.

ESTABLISHMENT, No. 37.

COMMUNICATED to the District Engineer, Madura.

2. The balances required to complete the Sub-Magistrate's Office at Tiruchulay and the Sea Custom-house at Tondy have been provided in the orders of the 14th July 1873, No. 1,803, and progress with the works has not been suspended for want of previous allotments conformably with G. O., No. 131, of 18th March 1873.

3. The outlay on Agricultural repairs having been upwards of 42 per cent. in excess of that of the previous year, His Excellency the Governor in Council has no doubt that the expenditure, though short of the funds available, was as great as could be effectively incurred with the superintendence available.
