Proceedings of the Madras Government, Public Works Department,
23rd September 1873.

No. 372. Read the following endorsement of the Inspecting Engineer for Civil and Military Buildings, dated Chepauk, 11th September 1873, No. 1,088:—

From Captain A. EDGCOME, R.E., Officiating District Engineer, Bellary, to Colonel E. A. FOORD, R.E., Inspecting Engineer for Civil and Military Buildings, dated Camp at Pathakacheruvu, Bellary District, 7th September 1873, No. 952.

I HAVE the honour to inform you that the Vice-President of the Bellary Municipality states that the construction of a dead house in the compound of the Civil Dispensary at Bellary, for which work an allotment of Rupees 1,330 is sanctioned in G. O., No. 1,999, dated 12th August 1873, is not required, as a dead house has already been constructed from the Municipal funds. The Dispensary is now under the management of the Municipality. The President therefore intends applying to Government to sanction the money granted for the said work being paid to the Municipality. But I can see no necessity for so doing.

2. I therefore request that the sanction of Government may be obtained to cancel the said work and the sum allotted for it. I also request that sanction may be accorded to the sum in question being transferred to the head "Repairs Civil Buildings." A sum of Rupees 1,668 is urgently required under that head for expenditure on the estimate just sanctioned for repairs to the Collector's Cutcherry at Bellary. The building is in a bad state of repair, and the Collector complains that several requisitions were sent to the late Superintending Engineer for the above repairs, but they were not attended to.

3. The Budget assignment for "Repairs Civil Buildings" for this district has been fully appropriated, and there is every probability of the appropriations being effectually utilized.

4. In conclusion I have to state that under G. O., No. 2,702, dated 24th October 1871, funds assigned for "Provincial New Works" may be re-appropriated to "Repairs Provincial."

FORWARDED to the Chief Engineer, Department Public Works.

(Signed) E. A. FOORD, Colonel, R.E.,
Inspg. Engr. for Civil and Military Buildings.
