PROCEEDINGS OF THE BOARD OF REVENUE, dated 7th August 1873.

Read the following Proceedings of the Madras Government, dated 21st July 1873, No. 761, Revenue Department:—

ABSTRACT.—*Water-rate in Nidadavole Estate.*—Approving the Proceedings of the Board of Revenue holding in abeyance the order of Government to collect the full —, and proposing to make further inquiry.

A COPY of petition No. 1,537 of 1873 will now be sent to the Collectors of the Godavery District and the Kistna District (to which Nidadavole was attached formerly), and they will be requested to report on the petitioners' argument that black paddy being a "wet" crop it is incorrect to infer, as is done in Board's Proceedings, dated 17th May 1871, paragraph 31, that Baharzalli being cultivated in part with black paddy was not entirely irrigated.
