*Proceedings of the Madras Government, Public Department,
24th February 1873.*

Read Memorandum by the Supervisor of the Government
1st February 1873.

No. 86. ORDER THEREON, 24th February 1873, No. 192.

Resolved that the following Notification be published in three successive issues of the Fort St. George and District Gazettes:—

NOTIFICATION.

The following Rules have received the sanction of Government, and are published for the information and guidance of all Officers concerned:—

1. In supersession of so much of paragraph 3, G. O., 3rd July 1865, No. 699, as prescribes that English Acts having penal clauses and such as are of wide interest shall be published in three issues of the *Fort St. George Gazette*, it is ordered that all Acts, whether Imperial or Local, be published in the *Fort St. George Gazette* once only, extra copies being supplied, on application, to public officers gratis, and to private parties on payment.

2. Officers receiving the *Gazette of India* direct will not be supplied with those extracts from the *Gazette of India* which form supplements to the *Fort St. George Gazette*, with the exception of Imperial Acts which will be furnished once to all Officers on the Distribution List.

3. No Departmental Notification will be published in English more than three times, or in diglott at all (except in the case of notifications which are required by law to be published in the vernacular) without authority from the Supervisor.

4. No vernacular translations of Acts will, in future, be furnished to Officers beyond the limits of this Presidency, unless a requisition is made by the Officer concerned, and every Officer within the Presidency, entitled to receive the Gazette, will inform the Supervisor whether he requires for record in his office any, and, if so, what vernacular translation, intimating the number of copies. Collectors and Judges, however, will, in accordance with paragraph 4, G. O., 3rd July 1865, No. 699, be supplied with one copy of each vernacular translation for record in their offices.

5. It is further ordered that vernacular translations of Acts be distributed in future with only two instead of three issues of District Gazettes.
