*Proceedings of the Madras Government, Public Works Department,
17th March 1873.*

4. The grant of Rupees 2,785 made for the Mylapore Post Office is surrendered by the District Engineer, Presidency, in consequence of the site originally selected for the building not being available. The attention of the Post Master General will be drawn to the subject. The Public Works Department is held responsible for neglecting to utilize the grants placed at its disposal, and it is unsatisfactory that even the small assignments made should be allowed to lapse. The grant for the Mylapore Post Office has, however, been diverted.

5. Towards meeting the additional grant of Rupees 3,343-8-0 applied for in letter from the General Superintendent of Public Works Stores to the District Engineer, Presidency, dated 12th February 1873, No. 1,127, there is only a small saving of Rupees 480 available under Tools and Plant in the Godavery Vizagapatam Coimbatore and Tinnevely Districts. The Controller of Public Works Accounts will watch expenditure and make proposals for meeting the excess for which it may be actually necessary to provide.
