Proceedings of the Madras Government, Public Department,
18th June 1873.

Read the following papers:—

No. 46. Proceedings of Government in the Revenue Department, dated 14th May 1873, No. 474.

ABSTRACT.—Sanctioning a charge of Rupees 60 incurred on account of medical aid to a Survey Party employed at Wynaad in 1867, and inquiring through the Public Department how the demand for this sum came to be made upon a Government Officer.

Referred to the Collector of Malabar for report.

OOTACAMUND, *24th May* 1873. (Signed) W. HUDLESTON, *Chief Secretary.*

No. 47. From A. MACGREGOR, Esq., Collector of Malabar, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Calicut, 11th June 1873, No. 57.

With reference to your endorsement, dated 24th May 1873, on G. O. of the 14th idem, No. 474, I have the honour to forward letter received from the Deputy Collector regarding the charge of 60 Rupees made on the Survey authorities by the Goodalore Dispensray in 1867. The letter fully accounts for the charge. It must be recollected that the dispensary was a strictly private institution, and, though Government supplied a medical subordinate, there was no stipulation that this should entitle all Government departments to medicine and hospital accommodation free.

From W. E. UNDERWOOD, Esq., Deputy Collector of Wynaad, to A. MACGREGOR, Esq., Collector of Malabar, dated Manantoddy, 6th June 1873, No. 214.

With reference to the Proceedings of the Madras Government, Revenue Department, dated 14th May 1873, No. 474, forwarded here for report, I have the honour to state that it would be difficult, after so many years, to ascertain how this charge was made to Captain Sargeaunt's Party from the Goodalore Dispensary, especially as the then Medical Officer in charge has since died and there have been several changes from 1867 to this.

2. You may be aware that when this dispensary was first opened it was, in a great measure, supported by voluntary subscriptions, and each estate requiring medicine and aid for its coolies had to pay at the rate of Rupees 5 a month, when all medicines required were given without further charge. I have no doubt that Mr. Wade considered the Survey Party should pay likewise for what was required for themselves and the coolies employed by them.

3. The Proceedings under reference are herewith returned.

No. 48. ORDER THEREON, 18th June 1873, No. 631.

Communicated to the Revenue Department.

2. The dispensary was a private institution when the charge was made, and it appears to have been perfectly legitimate.
