No. 77. Read the following Proceedings of the Board of Revenue, dated 5th February 1873, No. 161 :—

Read the following letter from H. E. SULLIVAN, Esq., Acting Collector of South Arcot, to the Secretary to the Board of Revenue, dated Cuddalore, 8th January 1873, No. 5 :—

In continuation of my letter of the 11th ultimo, No. 403, I have the honour to forward copy of one from the Officiating District Engineer, dated 7th instant, No. 14, and to request that the Board will be pleased to sanction the accompanying revised Estimate for improving the approaches to the Chunambet Salt Pans and substitute it for that already submitted.

2. The amount of the revised Estimate is Rupees 3,600 or Rupees 417 in excess of the former one, but this excess is satisfactorily explained by the District Engineer to have been necessary in consequence of the subsequent damage caused to the embankment by the late heavy rains apparently.

Enclosure No. 1.

From R. E. NORFOR, Esq., Officiating District Engineer, to the Acting Collector of South Arcot, dated Cuddalore, 7th January, 1873, No. 14.

One Estimate.

The accompanying Estimate of Rupees 3,600, for re-constructing an embankment across the backwater between Merkanam and Thenpaukum, together with some other estimates for repairing damages caused to certain roads in the Range by the late heavy rains, were received from the Assistant Engineer, Tindivanam Range; the latter were forwarded to the Local Fund Board, but the former was kept back in this Office for want of certain particulars from the Range Officer.

2. From your letter, No. 227 of the 22nd November 1872, to the address of Captain Graham, I observe that an estimate of Rupees 3,183 for the work in question (forwarded to you direct by that officer) has been already submitted for the sanction of the Board of Revenue, and that you have instructed that officer to proceed with the work in anticipation of the amount being transferred to the credit of this department from the Salt funds at your disposal.

3. The revised estimate of Rupees 3,600 which accompanies this, appears to have been prepared in consequence of the subsequent damages caused to the embankment, I have, therefore, the honour to request you will be so good as to obtain sanction for the difference between the old and revised Estimate, and take steps for placing the full amount (Rupees 3,600) at the disposal of this department.
