Collector of South Canara

To

J. Lyrose Esquire  
Secretary to the Board of Revenue  
Madras

Sir,

I have the honor to state that before any thing was known of the arrangements made by Government to despatch the steamer "Margaret Northcote" to take the Sub Collector of Malabar and my Assistant Mr. G. Stokes to the Laccadive Islands, I had resolved to send the latter officer in a Pattermar as was done on a previous occasion and had accordingly permitted him to engage one. Mr. Stokes hired a vessel accordingly and ordered some trivial repairs and alterations to be made to it so as to put it in a condition fit for the accommodation of himself and his establishment.

2. On receipt of the Proceedings of Government intimating the despatch of a steamer, the owner of the vessel was released from his engagements; but he claims compensation for the detention of his vessel for a space of 10 days and for expenses incurred in refitting it for a voyage to the Islands. I consider that a sum of Rupees 57 as per particulars given in the margin, may fairly be paid to the owner in satisfaction of his claims.

G.O. 14<sup>th</sup> December  
1872, No. 445 Political  
Department.

3. The charge cannot be met from the provision for the purchase of coin and contingencies, as it is wholly required for other purposes. I therefore request that sanction may be granted for disbursing the amount from General Savings under Land Revenue.
