C. M. W. Martin Esq.,
Asst. Sub Collector of Tanjore

The Honorable D. Arbutnot
Collector of Tanjore

SIR,

to be returned

I have the honor to enclose a petition received from Venkatachala Pillai late Head Clerk in the Sea Customs Office at Muttapetta, praying that his salary from the 1st April to the 17th June last may be paid to him.

He completed his 55th year by the end of March last, but was retained in the service till the 17th June pending the receipt of Government order consequently the Accountant General seems to have retrenched his pay for the period he was in service after the completion of his prescribed age.

S

I therefore request that you will take the necessary steps for the payment of his salary till 17th June 1873, the date in which he was compelled to retire.

Forwarded to the Secretary to the Board of Revenue, with the Collector's recommendation, that the sanction of Government may be obtained for the salary retrenched and recovered from the individual referred to, being refunded to him.

2. He was retained in service till the receipt of final orders from Government, because the Proceedings of Government dated 10th January 1872, No 60 deemed to require that an individual whom it is not intended to

to recommend for retention in service after he has passed the age of fifty five, should not be compelled to retire except upon cause shown and sanction obtained for so compelling him.

3. Arrangements have since been made for recommendation in the case of persons who have passed the age of fifty five being submitted in time to admit of final orders of Government for their retention or retirement being obtained before they have completed that age, so that there may be no intermediate retrenchment of salary.
