Dated 27.10.1873

196 .

Not to be folded or roughly handled

No. 1,983.

Statement showing Increase and Decrease of Salt Sales (Home and Inland Consumption) in August 1873, compared with those in August 1872, for each District.

Districts.	Increase or Decrease in Indian Maunds.	Increase or Decrease in Rupees.	Explanation given by Collectors.
	IN. MDS.	RS.	
1. Ganjam ...	— 7,351	— 14,223	The decrease is attributed to less resort of merchants to the pans in August 1873, on account of the heavy rain-fall during the 2nd half of the month.
2. Vizagapatam...	+ 752	+ 1,504	The increase is partly due to the suppression of the illicit use of earth salt.
3. Godavery ...	— 3,880	— 7,760	The wholesale merchants unlike last year made large purchases in the previous month, and hence the sales in the month fell off.
4. Kistna ...	+ 3,546	+ 6,372	The rain-fall in the month having been less than that during the same period of last year, the sales were greater.
5. Nellore ...	+ 2,741	+ 5,482	The increase is due to the more favourable character of the season for Salt traffic in consequence of the absence of heavy rains.
6. Chingleput ...	— 143	+ 6,181	The decrease is small, and calls for no special remark.
7. South Arcot...	— 17,670	— 35,340	The decrease is due to want of sufficient stock at Merkanam, during the early part of the month.
8. Tanjore ...	+ 8,086	+ 15,212	The increase is due to larger sales this year at Nega-patam for the Railway Trade.
9. Madura ...	— 2,940	— 5,880	The decrease is due to want of sufficient stock of salt for sale at Verovanadapatam.
10. Tinnevely ...	— 34,496	— 66,642	The decrease is due to the unusually large purchases made in the previous months.
11. South Canara.	— 897	— 1,794	The decrease is ascribed to heavy rain-fall during the month.
12. Malabar ...	— 25,450	— 48,099	The decrease is ascribed to the temporary cessation of sales to wholesale dealers as the date of receiving tenders for the supply of salt has been deferred.
Total...	— 77,702	— 1,44,987	

Statement showing the Salt Sales in the Month of August 1873, comp. with the average Sales of the same Month of the previous five years.
