Sir, Fort Saint George

Adverting to the Resolution
of the Governor General in Council
No 1410 of 26th February last, pub-
lished at Page 514 of the Fort
Saint George Gazette of the 11th
Instant, I have the honor, with
reference to the 3 months Privilege
leave granted to me to request the
Government to be pleased to
exercise the authority vested in
them by the above resolution &
relax the rule that "the charge of
an office must be made over at

its head-quarters both the
relieving and relieved officers
being present.

2 The Circumstances under
which I venture to make this
request are these.

I think I may assume that the
Easter holidays will be from the
10th to the 15th April both dates
inclusive. My leave is available
from Sunday the 13th I am going
to England and the Steamer leaves
Bombay on each Monday. If I
might avail myself of the Easter
holidays, I might leave Bellere
on the 10th or 11th, and catch the
steamer leaving Bombay on Monday
the 14th. I would examine & close
my Treasury on the afternoon
of Wednesday the 9th, the last
working day before the holidays.

And my Locum Tenens could
take charge on the morning of
the 16th the day after the holiday,
my privilege leave counting from
that date.

3 I would thus gain the Easter
holidays in addition to my leave.
no small boon in the face of
so long a journey and after an
absence from home of 10 years.

4 On the other hand, nothing
would be gained to the Government
by my sitting at Bellere during
the holidays to see the relieving
officer take charge of a Treasury
which I had examined & closed
just before the holidays.

5 Under these Circumstances,
I venture to trust that the
Government will be disposed
to give me the benefit of the vacation
of

Report of the Accountant General

In reply to Endorsement dated the 21st Instant upon the letter from Mr. Vans Agnew, Collector of St. John's, dated on 20th. Idem No 602, the undersigned has the honor to report that under Orders of the Government of India dated 26th. February last No 1410 Financial Mr. Vans Agnew must make over charge of his office at Head Quarters unless for some special reasons Government under the authority therein vested in them, permit him to do so elsewhere. It is however observed that Mr. Vans Agnew may ^{if Government permit him} make over charge to one of his Assistants at head quarters, and avail himself of the leave without awaiting the arrival of his successor.

2. With regard to Mr. Vans Agnew's other request that he may be permitted to make over charge on the Evening of the 10th April the day prior to the commencement of the Easter holidays and to count his privilege leave from 16th Idem the day after the termination of the holidays the Government of India in their Resolution quoted in the margin declined to confirm the ruling of this Government dated 27th October 1865 at Rs 2648 Revenue permitting privilege leave to

to be taken in continuation of or in addition
to the Easter and Christmas vacations and
in their letter dated 8th July 1869 N^o 1884 they
ruled that, charge of Office having been
made over on the evening of Saturday, the
leave should be reckoned from the fol-
lowing day.

* referred in this
Office letter on
Mr. Whiteside's
case dated 22nd
Instant N^o 744.

In these circumstances Mr.
Vans Agnew cannot be allowed to hand
over charge before the Easter holidays
and reckon his privilege leave from
their termination.
