Vayitla Satayya complained to the Mestor that the Village Munsiff over Collected from him Rs. 16-5-3. The Tahsildar Enquired into the case. It appeared that, though the Collection was made after the Petitioners discontinued to do their work, the mistake occurred simply because the Carnams (Petitioners) had not kept proper accounts upto the date on which their Gumasta entered on his duties, and therefore the Gumasta prepared a wrong incorrect account on which the Village Munsiff unintentionally Collected Rs. 16-1-3 in Excess, and credited the same to Government. He was directed to make good the loss to the Complainant and the Petitioners through whose carelessness no proper accounts were available, were dismissed the Service

Asst Mestor

The Mestor has shown clearly that the Moonsiff was not to blame, as he in good faith, levied and credited to Government the Rs. 16-1-3 shown to be due in the Erroneous account, which the new Gumasta had prepared. The Gumasta being misled by the Carnams who were avowedly past work, was not to blame, and as the two old men, who held the office of Carnam had proved to be reliefs of duties, which had become too much for them, they also do not deserve to have their Connection with the Carnamship and their claim on a portion of its Emoluments broken by a sentence of dismissal. The money which the Moonsiff has been made to pay should be refunded to him, as 16 Rs. over and above the Government demand has been carried to credit, and the sanction of Government is requested, as the money was carried to credit in 1866.

The order dismissing the Carnams must be Cancelled and they are referred to the Mestor.
