ORDER THEREON, 15th September 1873, No. 3061-A.

Right Honorable the Governor in Council resolves to accept Colonel Wilson's liberal offer of his services to compile a history of the rise and progress of the Madras Army, and requests that he will enter upon the undertaking as early as convenient.

His Excellency the Commander-in-Chief is requested to place Colonel Wilson's services at the disposal of Government, for the duty in question. He will be allowed to draw Presidency house-rent while so employed.

An intelligent assistant and a copyist from the Government office will be placed at Colonel Wilson's disposal, and all the stationery he may require will be supplied to him from the Government stores, on indent, in the usual manner. Any printing that may be necessary in connection with the work, will be done in the Government Press, where also the history will be printed when ready.
