

*Proceedings of the Madras Government, Revenue Department,
18th February 1873.*

No. 118. Read the following Proceedings of the Board of Revenue, dated 8th February 1873, Miscellaneous No. 29-807:—

Read the following letter from the Collector and Conservator of Forests, to the Secretary to the Board of Revenue, dated Tinnevelly, 16th January 1873, No. 25.

THE Deputy-Conservator of Forests in this district, Mr. Hayne, appeared twice before me for examination in Tamil, and passed on the second occasion; he now claims the Munshi allowance (though rather more than two years from the date of his joining the department elapsed before he finally passed) on the grounds that the limited period was only slightly exceeded in his case, and that the Government order limiting the claim to Munshi allowance to any given period was passed some time after he joined the department.

2. I enclose a copy of Mr. Hayne's letter, and request instructions on the subject.

ENCLOSURE No. 1.

From the Deputy-Conservator of Forests, to the Collector and Conservator of Forests, Tinnevelly, dated Palamcottah, 4th January 1873, No. 250.

WITH reference to my letter No. 236, dated 7th December 1872, forwarding correspondence regarding my claim to Munshi allowance, and the enclosed copy of Mr. Locke's letter, stating that he considers I am not entitled to it as the two years mentioned in Government Order No. 1,284, entitling me to the allowance, expired before I actually did pass, I have the honour to inform you that this is quite correct as far as dates are concerned, but when it is taken into consideration that the expiry of the two years occurred just between the second and third quarterly examination, the one being six weeks before the completion of my two years, and the other six weeks after, I think I have a strong claim in considering the latter as my final examination entitling me to the allowance, especially as the Government Order under reference was not issued till over eleven months after I had joined the department.

Having passed in the third quarterly examination, I think I can justly claim the allowance, and beg you will represent the matter to Government.

2. I passed fifteen months after the issue of the above Government Order.

SUBMITTED for the favourable consideration of Government.
