WITH reference to the Standing Circular of the Board of Revenue No. 85, dated 16th November 1865, I have the honour to submit the annual Report on the progress made in improving the Salt roads of this district.

The two approaches to the Salt platforms at Ganjam and that led off from the Sonnapore branch road to the Surla platforms, as also the three small approaches at Nowpadah and two of the three communications to the Womeravilly Salt pans were repaired during the past Official year, and were in good order. The other approach at Womeravilly did not require repair, as it is not very long since it was constructed.

3. The construction of the new approach to No. 3 Salt platform at Ganjam has been completed. The road leading to Platform 4 at Nowpadah is in rapid progress, in the hands of a contractor, and will be finished soon.
