ABSTRACT.—*Salt sales in Madras Presidency.*—Letter from Government of India, requesting that greater punctuality be observed in the submission of the Comparative Statements, communicated to the Board of Revenue.

THE delay adverted to by the Government of India arose from the monthly Account Current of Ganjam for August not having reached the Board's office till the 18th of September. To avoid delay in future Collectors of Salt Districts will be again* requested to see that their monthly Accounts Current are despatched at an early date, so that they may reach the Board's office by the 10th, and if at any time delay should be unavoidable the quantity of salt sold, and the amount realized *during the month*, should be telegraphed to the Board on the 10th. The figures should only include the sales under Home and Inland consumption and not exports by sea, nor the salt sold to the French Government, nor Miscellaneous items of salt revenue, such as the proceeds of confiscated or smuggled salt.
