PROCEEDINGS OF THE BOARD OF REVENUE,

Dated 26th September 1873.

Read the following

N^o 319

From, The Collector of
Bellary

To, The Secretary to the Board of Revenue
Madras

Sir, One Ramachandruppa Gurnum of Yerragoody, in the Bellary Taluk, held a patta for a certain land, in the village of Seerogoppa for Fasly 1277, and therefore the Revenue due thereon for that Fasly viz Rupees 26-4-9 was collected from him and credited in the accounts.

But a similar sum was by mistake collected again for the same Fasly from one Bhaskara Melacuntappa, the ryot who cultivated the land.

As the sum was twice collected by inadvertence and credited in the accounts some 4 years back, I have the honor to request

request the sanction of the Board for the
refund Rs 26-4-9 to the cultivating ryot
from whom it was by mistake levied, and
who now applies for it. This Taluq is under
my charge and the Board's order will not
allow any refunds to be made without
the Board's sanction.

Bellary Collectors Office }
18th September 1873 — }
I have ~~been~~
(Signed) J. H. Master
Collector.

Submitted for the sanction of
Government, the credit having taken
place 4 years ago.
