No. 130

From

Deputy Collector, Krishna District

To

G. D. Lemaire Esq. Jure
Acting Collector, Krishna District

Sir,

I have the honor to bring to your notice that a wild animal as big as a jackal called 'Putta Veluga' entered some houses in the village of Chimalamari in the Narsaroupetah on the night of the 22nd Ultimo, and seriously bit three persons and some cows, and that it was killed by one Bokka Venkade whose house it last entered. The persons bitten by the animal are suffering from the wound and are willing to be treated by the Hospital of my office. They prefer their own treatment. It appears that none except some Yarakalas are able to make out the animal, having not hitherto seen any of its description. The Yarakalas say

say that they know it by the name of "Putta Velugu".
The Tahsildar proposes that some reward be given
to the person who killed it, as he killed it in the
dead of the night with some pluck, notwithstanding
the fear and alarm it caused in the village at

and it may have bitten some more persons
and cattle. Some say the animal became mad
and so entered the village and bit persons. Till
sometime passes off, nothing could, however, be
said as to what will become of the person now bitten.

2. I beg to propose that a reward of Rupees 5
be given to the man who killed the animal as
an encouragement to others in these wild villages
to kill such animals when they enter villages and
prove dangerous.

3. I have sent the skin of the animal to the Vinn-
konda Tahsildar directing him to send it to you for
he can. The animal's tail and
were, it appears, destroyed by the children
of the hunter when the skin was exposed to the sun.

to be a Wolverine; but the skin is so damaged
that it is impossible to say for certain. A re-
