Proceedings of the Board of Revenue
dated 22nd August 1873.

Read the following.

No. 464.

From W. S. Whiteside Esq^r
Collector of North Arcot.

To J. Gine Esq^r
Secretary to the Board of Revenue
Madras.

Sir, I have the honor to request that sanction may be obtained for the individuals noted in the margin, who have attained 55 years of age, being kept in the service for the periods shown opposite to their names, and for their salary from the month of April last ordered by the Accountant General in the month of June to be placed under retrenchment owing to want of authority for the retention of these men in the service after they had attained 55 years of age.

No. 1 is the Taluk Sheristadar of Wallajah. The Tahsildar reports very favorably of

1. Rajah Row. Taluk Sheristadar of Wallajah 1 -
2. Apper Row - Sumastah Wandewash Taluk. 1 -
3. Salammangalam Venkat Row - Sumastah. Vellore 2 -
4. N. Donga Row - Sumastah. Collector's Office. 4 - 6

W. S. Whiteside Esq^r

of the efficient manner in which this man conducts his duties. I do not agree with the Tahsildar in considering Rajah Row to be fit for a farther service of three and a half years which will entitle him to one half pension, as will be seen from the enclosed Service list. From his appearance, Rajah Row appears to be only fit for another years service, and I accordingly recommend that he be allowed to remain in the service until that time, when if he is found to be fit for further service, a further application on his behalf may be made.

N^o 2 is a Gummastah in the Wandewash talug. This man too is declared by the Tahsildar to be fit for further service. His total service amounts to about 26 years, of which only about eleven years qualify him for a pension. I recommend that he be also allowed to remain in the service for one year, subject to the conditions referred to in the case of Rajah Row.

N^o 3 is a Gummastah in the Vellore talug. His service list is enclosed. The Sub Collector recommends that this man may be allowed to remain in the service for 2 years more. I concur with
W^o

228
Mr. Sewell in this recommendation.

N^o 4 is a Gummastah in the District Treasury, and is reported by the Treasury Deputy Collector to be fit for further service. The Deputy Collector considers that N. Ranga Row may be retained in the service till such time as will entitle him to a pension equal to $\frac{1}{3}$ of his salary. From the Service list of this individual (also sent herewith) it will be observed that under the rules, Ranga Row should remain in the service for 4 years and 6 months to entitle him to one-third pension. I have examined him personally, and finding him to be fit for further service, consider that the recommendation made on his behalf may be sanctioned.

North Arcot Collector's Office
Chittoor. 4th August 1873.
