Revenue Department

Miscellaneous No 3282.

Proceedings of the Board of Revenue
Dated 30th May 1853.

Read the following
No 245.

From
The Dy Head Assistant Collector.
Trichinopoly.
To
The Dy Collector of
Trichinopoly.

Sir,

I have the honor to request that
you will obtain sanction of the Board of Re-
venue to refund to one Veerappillai of Mur-
suri the sum of Rs 26-3-0 improperly collected
from him during the Faslis 1276-77-78-79-80 &
81.

The improper collection is due to the fact
that the petitioner's field No 1000 was by mis-
take entered in the Government printed copy
of the Settlement Register as being in extent
1.55 acres and assessment was charged on that
extent whereas the actual extent is only 55
Decimals.

Petitioner only discovered this year
that he was charged for an area larger
than

than what was cultivated by him, on receipt
of his petition his land was measured and
found to be only 55 decimals.

It appears moreover from the field
book that the field measurements multiplied
together give the area decimals 55.

Mr. Sahildas further reports that all
the fields adjoining the one in question were
measured with the field book and found
correct to the registered extent, and that
the printed Register kept in his Cutcherry
showed the extent of the field in question
to be 55 decimals.

I have herewith sent a statement
showing the collections during the Fasles.
