No. 176. Read the following Proceedings of the Board of Revenue, dated 17th February 1873, Miscellaneous No. 977 :—

Read the following letter from the Acting Collector of Bellary, to the Secretary to the Board of Revenue, Madras, dated Bellary, 8th February 1873, No. 22.

THE Rev. Patrick Doyle, Roman Catholic Chaplain at Bellary, has two Chapels, one at Ramdrug in the Alur Taluq, and one at Chennamanayanikota, hamlet of Toomcherla in the Dhurmaverum Taluq. He holds puttas for these sites, although they appertain to the Village site. He now wishes to redeem this assessment by a payment once for all, and there is no objection to this being allowed ; twenty-five years' assessment has been paid by him and credited in the Treasury.

2. Durable boundary works have been erected, and the applicant has been charged with the cost thereof and with that of the preparation of the plans. Duplicate Title-Deeds in Form A, annexed to the Standing Order No. 135 (Dalyell's Edition), are herewith sent, with a plan attached to each of them. I have the honour to request that you will be good enough to obtain the sanction of Government for the redemption of the plots of land applied for.

ORDERED that the two Title-Deeds and Plans, in duplicate, received with the foregoing letter be submitted for the seal of Government.

2. The words "Original" and "Duplicate" should have been written at the head of these documents.

3. The alteration of the word "Sixty" into "Seventy-three" in the second line of both the deeds has not been attested nor have unoccupied blanks in them been filled up by ruled lines as directed in Standing Order No. 150.

4. The extent of land redeemed has not been marked in the plan accompanying Deed No. I.

5. The extent of land redeemed, specified in the Schedule to Deed No. 2, is less than the area marked in the plan attached to it by "24 Cuntahs."

6. The description of the eastern and western boundaries of land No. 59 in the schedule attached to Deed No. 2 does not correspond with the drawing in the plan, which makes these boundaries, viz., "the road leading to Vipucherla" and "portion of Field No. 58 (wet cultivation)," terminate on the north.

7. The Collector is requested to remove these imperfections from the Deeds and Plans before handing them over to Rev. Mr. Doyle.

8. The Collector should have explained how the Rev. Mr. Doyle came to hold putta for land occupied by him for building purposes within the limits of the village site.

No. 177. ORDER THEREON, 27th February 1873, No. 233.

Land Revenue.

ORDERED that the two Deeds, received with the foregoing Proceedings, be sealed and returned.

2. In both these Deeds, the Proprietor has not affixed his seal opposite to the clause which begins with the words "Signed, Sealed," etc. He must be required to do this in the presence of the parties who have already witnessed his signature.

3. In the plans attached to both the Deeds the number of the Deed is not entered in *words*.

4. The *designation* of the roads forming the boundaries of the land referred to in Deed No. 1 has not been entered in the Schedules and Plans.

5. The boundaries of the lands referred to in Deed No. 2 have not all been specified in the Plans in the same detail as is done in the Schedules.

6. The omissions pointed out above in paragraphs 3 to 5 should be supplied; the Collector's initials being attached to them where interlineations are necessary.
