My Lord,

I have to inform you, that my attention has been directed to the difficulties experienced in printing the Two Anna Court Fee Stamps of the present color, and to a suggestion that in future the colors of the Two anna and 12 anna Stamps should be transposed, comparatively few of the latter Stamps being required.-

2. I have agreed to this alteration, and also to a similar change in color of the Two Rupee, Twenty Rupee, and Two Hundred Rupee Stamps, which is rendered necessary by the arrangement, that all the Stamps with the same initial number are to be uniform in color.

3. These alterations will not affect Students at present in course of being completed.
