Proceedings of the Madras Government, Revenue Department,
1st March 1873.

No. 7. Read the following letter from the Acting Collector of the Chingleput District, to the Secretary to Government, Revenue Department, Fort St. George, dated Perumbakum, 21st February 1873, No. 19:—

I HAVE the honour to request the sanction of Government for taking up a plot of ground, situated in the village of Urúr in the Saidapet Taluq, extent and boundaries as specified below, for a public purpose, *i.e.*, for sinking a tube-well to supply drinking water to the public, and to plant a few trees for the convenience of the passers-by.

2. The site is a small triangular piece in front of the Honourable Humayun Jah's house at the junction of three roads in the vicinity of the Elphinstone's bridge, and it would be a great pity if it were enclosed or otherwise rendered unavailable for public use. I was under the impression that it was road Porambóke, but when an attempt to encroach on it was brought to my notice by a gentleman residing in the vicinity some time since, I discovered it to be putta land.

3. I have attempted to negotiate with the owner, Rubdúl Mulk Bahadur, residing at Shadimal in Triplicane, but he demands the enormous sum of Rs. 780, or a deduction of Rs. 43-5-0 *annually* in his putta, whereas the extent of the whole is but ·79 of an acre.

EXTENT.—·79 acres.

BOUNDARIES.—On the east by the road leading from the Elphinstone's bridge to Elliott's Beach; on the west by the branch road from do. to Guindy; and on the south by the cross road, connecting the two former.

No. 8. ORDER THEREON, 1st March 1873, No. 243.

Miscellaneous.

THIS letter should have been submitted through the Board of Revenue, and it will be referred to them for their remarks.
