**Proceedings of the Madras Government, Revenue Department,
4th March 1873.**

No. 28. Read the following Proceedings of the Board of Revenue, dated 17th February 1873, No. 224:—

Read the following letter from C. T. LONGLEY, Esq., Collector of Salem, to the Secretary to the Board of Revenue, dated 1st October 1872, No. 253:—

With reference to the Board's Proceedings of the 18th December last, No. 4,602, I have the honour to enclose the form of the Sanad to be issued to the Poligar of Shulagherri in the Oosoor taluq, duly filled up.

2. The peishcush of the Polliput is Rupees 4,818-4-7. This does not include the quit-rents on Inam lands and villages, as the particulars under that head cannot now be ascertained, owing to there being still some cases unsettled by the Commissioner.

3. The monthly instalments are at present paid according to the enclosed kistbundy. I shall endeavour to obtain the consent of the Poligar to a kistbundy beginning with November and ending with May, so as to secure uniformity throughout the district.

4. I have excluded the Gramabusti, Porumboke (village site land) in paragraph 2 of the Sanad. To this the Poligar objects; and I enclose his petition for the Board's orders. When mutas were formed in this district, all porumboke of the kind in question was deducted from the assets on which the peishcush was fixed. I acted on this principle in excluding the porumboke from the form of the proposed Sanad. Of course the Polliputs in this district were never permanently settled; but now that the Government is going to do so, it is for the Board's consideration whether or not the Poligar's right to village site lands not be restricted.

5. The Poligar has been made to understand that the Government have declined to grant him a "Khilat" with the Sanad.

6. A list of the villages forming the Polliput is enclosed.

A SANAD in the printed form will be submitted to Government for the signature and seal of the Governor in Council.

2. The two alterations proposed by the Collector do not commend themselves to the Board.

3. There is no ground for declaring village sites in a Zemindari the property of Government. They are the property of the community though the distribution of house sites rests with the Zemindar. In this case the Zemindar's rights are specially entitled to respect because Shulagherri has been the residence of his

family for centuries. The Collector should cancel the order complained of in the petition.

4. The second alteration would have the effect of making the alienation of any Inams which may have been granted by the Poligar himself or his immediate predecessors irrevocable. In order to make the meaning of the Sanad clear, the following sentence will be substituted for the words from "exclusive of Lakhiraj" to "assets of your estate":—

"Exclusive of Inams hitherto or hereafter settled by the Inam Commissioner as having been granted before 1800 some of which pay a small quit-rent to you, which quit-rent being unchangeable by you is included in the assets of your estate."
