Proceedings of the Madras Government, Revenue Department,

31st March 1873.

No. 267. Read the following Proceedings of the Board of Revenue, dated 19th March 1873, No. 414:—

Read the following letter from G. BANBURY, Esq., Director of Revenue Settlement, to the Secretary to the Board of Revenue, dated Madras, 10th March 1873, No. 460-16:—

THE Government having in their Proceedings, dated 6th instant, passed orders upon the proposed settlement of the Principal Division of the Nellore District it is necessary that I should at once make arrangements for introducing the revised rates into these taluqs, so that the new assessment may be levied for the ensuing Fasli 1283.

2. Mr. Rundall is, from his intimate knowledge of the subject and of the locality, undoubtedly the most fitting person to whom this task can be entrusted; but I am at the same time unwilling that he should lose even for a time his direct superintendence of the party now working under him in the adjoining district of North Arcot. I therefore propose that Mr. Rundall should undertake both duties, and owing to his having a good English Assistant in Chittoor, and to the contiguity of the districts, this might be accomplished.

3. But it would certainly be only fair that Mr. Rundall should receive some extra remuneration during this period of extra work, and I therefore would recommend that his substantive salary of Rupees 700 be accordingly raised to Rupees 1,000 per mensem until the cessation of his double duties. I [illegible] that the substantive salary of a Covenanted Deputy or [illegible] 1,200

4. I need hardly mention to the Board how thoroughly Mr. Rundall merits the high terms in which Government speak of him in paragraph 3 of the Proceedings above quoted; and I have the honour to request that this letter may be submitted to Government with the support which I trust may be accorded by the Board.

SUBMITTED for the favourable consideration of Government.

2. The arrangement which Mr. Banbury proposes is the best that can be made, and necessitates an increase in Mr. Rundall's salary.

Sir,

The Government having in their Pro-

the proposed Settlement of the Principal
Division of the Nellore District, it is
necessary that I should at once make
arrangements for introducing the revised rates
into these Talugs, so that the new assess-

2. Mr Rundall is, from his intimate
knowledge of the subject and of the locality,

this task can be entrusted; but I am at the same time unwilling that he should lose even for a time his direct Superintend-ence of the party now working under him in the adjoining District of North Arcot. I therefore propose that Mr. Rundall should undertake both duties, and owing to his having a good English Assistant in Chittore, and to the Contiguity of the Dis-tricts this might be accomplished.

3. But it would certainly be only fair that Mr Rundall should receive some Extra remuneration during this period of Extra work, and I, therefore, would recommend that his substantive Salary of Rupees 700 be accordingly raised to Rupees 1,000 per mensem until the cessation of his double duties. I may add that the Substantive Salary of a covenanted Deputy on ordinary work is Rupees 1,200 per mensem.

4. I need hardly mention to the Board how thoroughly Mr. Rundall merits the high

high terms in which Government speak of him in Para 3 of the Proceedings above quoted; and I have the honor to request that this letter may be submitted to Government with the support which I trust may be ac-corded by the Board.
