*Proceedings of the Madras Government, Revenue Department,*
*10th March* 1873.

No. 74. Read the following Proceedings of the Madras Government in the Public Works Department, dated 3rd March 1873, No. 667:—

Read the following Proceedings of the Board of Revenue, dated 18th February 1873, Miscellaneous No. 993.

Read the following letter from the Officiating Collector of Madras, to the Secretary to the Board of Revenue, dated Madras, 5th February 1873, No. 24.

WITH reference to paragraph 6 of the order of Government noted in the margin, I have the honour to request information as to the exact situation of the cultivated land of which a valuation is called for. From the enclosed plan of the late Military Male Orphan Asylum compound it will be seen that the proposed new road has to the south of it several buildings. I beg, at the same time, to state that the portion of the Asylum compound, which I was directed to sell in Government Order, 26th August 1871, No. 252, Educational Department, and the sale of which was since deferred* on account of its being applied for by the Carnatic Railway Company, has been valued by the Superintending Engineer at Rs. 26,025. The estimates and plans received from him are herewith sent.

Dated 21st January 1873, No. 198, Public Works Department, communicated by Board to Collector by Miscellaneous Proceedings No. 523 of 30th idem.

* G. O., 24th January 1872, No. 28, Educational Department.

2. I also forward for the Board's ready reference copies of the above mentioned orders of Government, as they may not have been communicated to them.

SUBMITTED for the orders of Government.

---

REFERRED to the Public Works Department, with reference to the order in that department, dated 21st January 1873, No. 198.

FORT ST. GEORGE,
*20th February* 1873.

(Signed) J. STURROCK,
*Acting Under-Secretary to Government.*

---

THE Officiating Collector of Madras will be instructed in the Revenue Department to place himself in communication with the Consulting Engineer for Railways who, in concert with the Railway officers, will furnish the required information as to the limits of the land to be acquired by the Railway Company.

2. It is observed that the proposed new road, to the south of which lies the cultivation referred to in paragraph 6 of the G. O. No. 198 of 21st January, is not that indicated by the Officiating Collector, which has already been made, but a proposed deviation necessitated by the sanctioned arrangements.
