Proceedings of the Madras Government, Revenue Department,
11th March 1873.

No. 106. Read the following Endorsement of the Officiating Under-Secretary to the Government of India, Financial Department, dated Fort William, 28th February 1873, No. 1,403:—

Read the following despatch from the Right Honourable the Secretary of State for India, (Financial,) to His Excellency the Right Honourable the Governor-General of India in Council, dated India Office, London, 23rd January 1873, No. 18.

WITH reference to your Financial (Secretary's) letter No. 337 of 13th December 1872, requesting that the supply of the Court Fee Stamps demanded in the telegram of the 8th August last, and the Indent received with Financial despatch No. 284 of 5th August last, may be expedited, I have to acquaint you that large supplies of the stamps have been forwarded by the mail steamers leaving Southampton on the 10th and 24th October, 5th and 19th December, and 2nd instant, and that it is probable that the whole of the remainder will be shipped by the beginning of March next.

2. I request that instructions may be issued for the transmission of Indents for stamps at earlier periods, so as to allow of more time for the manufacture and shipment of the supplies, as considerable difficulty has been experienced in complying with the large demands, amounting to 31,130,000, now under provision; and at the same time not to interfere with the supply of stamps required by the Governments of Bombay and Madras.

COPY forwarded to the Governments of Bengal, Bombay, and Madras, for information and guidance.

(By order, etc.,)

Offg. Under-Secy. to the Government of India.
