From A. WEDDERBURN, Esq., Collector of Coimbatore, to the Secretary to the Board of Revenue, dated 3rd October 1872, No. 160.

I HAVE the honour to submit, for the consideration of the Board of Revenue, a tabular statement of a lapsed Poliput pension, forwarded by the Sub-Collector with his recommendation that the pension drawn by the deceased widow of a member of the Poliput family may be continued to her daughter, also a widow (with a son), on the ground that they have no other means of subsistence.

2. The son is fifteen years of age, and his caste is said to preclude him from earning his livelihood by manual labour; the pension if continued should, however, terminate with the mother.

From D. BUICK, Esq., Acting Sub-Collector, to the Collector of Coimbatore, dated Caroor, 14th January 1873, No. 9.

WITH reference to Revenue Board's official memorandum, dated 13th November 1872, No. 1,414, copy of which was forwarded to me with your endorsement of 21st idem, No. 1,024, I have the honour to inform you that Kambalammal, heiress of Latchmammal, deceased pensioner of the Jallipatti Polliput family is aged about 40 years. She is the widow of one Nallamuttu Jambaya Naiken who died some 10 or 12 years ago. She has a son named Muttumalayandi Jambaya Naiken and a daughter Sirangayi (now married), both of whom with their mother were wholly dependent on the deceased Latchmammal after the death of Nallamuttu Jembaya Naiken.

2. The last mentioned party, Jembaya Naiken, was a member of the Chinchoovadi Polliput family, Pollachy taluq, and this family is now impoverished and dependent for existence on their pensionary allowance.

3. I apprehend that Kambalammal would have a legal claim for maintenance on her late husband's family, but it appears to me to be useless to consider it, as the family is already too poor to maintain her. I feel bound therefore to support Mr. Best's recommendation that the allowance granted to the deceased Latchmammal be continued to her daughter Kambalammal.

No. 10.

FORWARDED to the Board of Revenue with reference to their official memorandum No. 1,414 of 13th November 1872.

2. The Chinchoovady Polliput alluded to is also a zufted Polliput, the pensionary allowance for which has been recommended to be continued to the heiress of a last holder, in a separate communication, dated 30th November 1872.

(Signed) A. WEDDERBURN,
Collector.

23rd January 1873.

SUBMITTED for the orders of Government.

2. This grant of Rupees 42-15-0 per annum is one of the Poligar pensions of the Coimbatore district regarding which it has been decided* that they are not hereditary and should be reduced as circumstances permit. It was originally granted† to Venkatappa Naik, a member of the Jallipatti Poligar's family. On his death its continuance to his widow Latchmammal and his daughter Kambalammal was recommended, but at the suggestion of the Government of India it was continued‡ as a life grant to the widow for the support of herself and daughter, the expediency of making provision for the latter after her mother's death being left for future consideration.

* G. O., 22nd November 1866, No. 3,184.

† G. O., 10th April 1827.

‡ G. O., 25th September 1838, No. 1,303.

3. As it is now reported that Latchmammal has died leaving her daughter, now a widow with a son (a minor), without any means of subsistence except this small pension of Rupees 3-8-5 per mensem, the Board recommend that it be continued to Kambalammal for life.

No. 126. ORDER THEREON, 13th March 1873, No. 303.
