Proceedings of the Madras Government, Revenue Department,
19th March 1873.

No. 197. Read the following letter from the Inspector of Forests, to the Secretary to Government, Revenue Department, Fort St. George, dated Mangalore, 10th March 1873, No. 1,732 :—

With reference to paragraph 1 of the G. O. No. 259 of the 5th instant, I have the honour to inform you that at present we have one officer in excess of our sanctioned scale and three officers* without ranges. Lieutenant Walker and Mr. Winter will shortly be due from England, and on their return from leave it is probable that we may have five officers without ranges. I cannot therefore recommend that this Government should offer to take any of the surplus Assistants from the Bengal Presidency.

* Mr. Ross.
,, Hadfield.
,, Stanbrough.

2. With reference to paragraph 2 of the same order I do not anticipate that we shall require any of the trained Assistants at the end of this year. If we agree to take any of these men they must enter as Deputy-Conservators and not as Probationers, and there would consequently be no chance of any promotion for our Probationers which would be very unfair to the latter officers. Government, I believe, also wish to bring Mr. Brougham, at present only an Acting Deputy, upon the regular list.

No. 198. Order thereon, 19th March 1873, No. 330
