Proceedings of the Board of Revenue
dated 21st June 1873.

Read the following:-

No 840.

From W. R. Fournish Esq. J. R. C.
Joint Commissioners
in charge of the Census Office
Madras.
To The Secretary to the Board of Revenue
Madras.

I am forwarding to you
of the Board, Copy of a letter from
the Deputy Superintendent of the
Government Press, I have the honor
to state that the Village Returns
in question will be completed & ready
for the press by the end of the current
month, and I have to solicit
instructions with reference to the
printing of the same (The work
I may state has already been begun)
2. I had not anticipated that

So

Some time would be taken
 up in the execution of the work
 now that the printing charges would
 be so heavy, but as the returns
 will be of great value to district
 officers especially in all future
 Census operations on the questions
 connected with population, I
 should recommend their being
 printed.

As the Census Office will
 close before the end of the
 of twelve months, I infer that the
 Board will be able to make
 arrangements for the correction of
 proofs and of these Village lists
 in their own office when this office
 is closed.

I have the honor to be,
 Sir,
 Yours faithfully,

 Sanitary Commissioner
 in charge of the Census Office

Sir, With reference to your inquiries
 respecting the probable number of
 pages that the Census Tables now
 printing will make, the cost and
 the time it will take to complete the
 same I have the honor to inform
 you that the Returns I, II & III will
 amount to at least 5785 pp; that
 the cost, exclusive of paper will be
 about Rs. 11,000 and that the whole
 will take at least twelve months
 to print.

The

The Superintendent of the
Government Press will be requested
to inform the Board if it would
be possible to distribute this
printing amongst private presses
and so get it done in half the
time or less -

Sir,

I find that by an oversight
in my letter of yesterday on the subject
of Census Forms I left out the prices
per page as ~~the printer~~ ~~the printer~~
printers. I have now the honor to state
that although one asked Rupees 8 per
page, and another Rupees 7 I have
succeeded in reducing the cost to one
uniform price of Rupees 6 per page.
For less than this they will not
undertake the work.
