Nellore From Collector 6th May 1869.	"	"	"	"	"	States that there are five public servants in District who have passed requisite test for post of Deputy Collector but suggests that they should have a few years more experience before being appointed to that post. Is of opinion that rules as regards appointment of Deputy Collectors and as regards qualifying posts for Office of Tahsildar should be altered, as present rules restrict to too great an extent powers of a Collector in selecting suitable men. He would therefore declare all those who have passed Tahsildar's test to be eligible, after a certain number of Years approved service in that capacity for post of Deputy Collector, and would increase number of appointments held to qualify for post of Tahsildar.
