No. 242. Read the following letter from the Officiating Under-Secretary to the Government of India, Department of Agriculture, Revenue, and Commerce, (Land-Revenue and Settlement,) to the Chief Secretary to the Government of Madras, dated Calcutta, 11th March 1873, No. 208:—

With reference to the extracts, given in the margin, from the statement of temporary establishments existing in Madras on the 1st April 1872, forwarded with your letter to the Government of India in the Financial Department, No. 1,671, dated 13th December 1872, I am directed to request that, with the permission of His Excellency the Governor in Council, you will be good enough to specify the period for which the establishments for the Commissioner of Nilgiris and the Settlement Department at Cuddapah and Kurnool will be required.

2. It is also observed that some of those establishments have been entertained since 1864. I am therefore to inquire whether it would not be better to place such of them as cannot readily be dispensed with on a permanent footing.
