Proceedings of the Madras Government, Revenue Department,
26th March 1873.

No. 244. Read the following Proceedings of the Board of Revenue, dated 15th March 1873, No. 385 :—

Read the following letter from G. BANBURY, Esq., Director of Revenue Settlement, to the Secretary to the Board of Revenue, dated Madras, 21st February 1873, No. 347-11 :—

WITH reference to the marginally noted correspondence, I have the honour to state that, owing to a clerical error in Colonel Priestley's letter of the 8th April last, the Board were informed that there would be sufficient area for the settlement to commence upon in Ganjam by the end of the present official year, whereas the wording of Colonel Priestley's letter should have been end of *next* official year. It therefore now becomes a question whether the settlement should commence with the smaller area which Colonel Priestley would give us, or whether our operations should be postponed until the end of the next official year. No doubt the Superintendent would do all he could to keep a small Settlement party at work, and if it be deemed a matter of necessity that they should begin at once, they might do so with the demarcation sketches and land registers; but if such be not the case, I would propose that a commencement be postponed until the end of next official year, when I doubt not the area of completed survey work will be sufficient to warrant the employment of a Deputy Director with an establishment of the ordinary and suitable strength.

Board's Proceedings 27th March 1872, No. 505.
" 29th April " " 682.
G. O., 14th May 1872, No. 797.

THE Board are of opinion that Settlement operations in Ganjam must be postponed until the end of 1873-74.
