*Proceedings of the Madras Government, Revenue Department,
28th March 1873.*

No. 259. Petition from BEEMA BEEBEE, grand-daughter of the late NAJABOODEEN KHAN BAHADOOR SALAR JUNG, the Carnatic Jaghiredar Stipendiary, residing at Madras, to the Chief Secretary to Government of Fort St. George, dated Madras, — November 1872.

MOST RESPECTFULLY SHEWETH,

THAT, in obedience to the instructions conveyed by the docket on petitioner's humble memorial to the address of His Excellency the Governor-General of India in Council, your petitioner begs leave to forward, herein enclosed, the accompanying memorial, with its enclosure, and respectfully begs leave to state that the several facts and grounds adduced in the accompanying printed memorial, to the address of the Right Honourable Lord Napier, will not fail to convince the Honourable Government of the validity of the claim preferred by your petitioner for the augmentation of her stipend to any reasonable extent the Honourable Government may deem it just and proper.

2. But to petitioner's deep regret the Government, without going through the several papers now in the records of the Madras Government, the perusal of which will not fail to show that petitioner's humble request is just and reasonable, were pleased to pass an unfavourable decision, under date 11th September 1871.

3. The Honourable the Government of India, to whom petitioner forwarded her memorial direct, were pleased to instruct her to forward the same through the Madras Government; and your petitioner therefore begs that your Honour will be so good as to lay the accompanying memorial before His Excellency the Governor in Council for favourable consideration, and have the same forwarded to its proper destination with the favourable recommendation.

And your petitioner, as in duty bound, shall ever pray.

(True Copy.)

Chief Secretary.
