Not to be folded or roughly handled

No. 303. Read the following letter from
Engineer, Kistna, to Lieutenant
Engineer for Irrigation, dated
No. 5:—

I HAVE the honour to forward, herewith
the Collector requesting me to refund the
expended by him in excavating a certain

2. The facts of the case, as stated
correct, and may be briefly stated as follows:
received from the villagers of Vemur
charge of the 6th Range, in communication
tor, reported that a channel might be
Zemindary at a cost of Rupees 1,227, etc.
work on condition of the money being repaid
pay a water-tax of Rupees 4 per acre on the
ing that the money expended by the villa
might be refunded. The work appears to
(now dead) of this department, who in 18
that work to the amount of Rupees 900 by
Nuzivid Zemindar claimed the refund, and
lost sight of for a time led to a lengthy
the Superintending Engineer.

3. Colonel Moberly apparently ob
grounds that it had been undertaken with
proof of the work having been properly
thereupon called on to report on the subject
found that the length and top width of
forwarded by the Zemindar, but that the
silt deposited in the five years. He stat
Collector that the average amount of cist
fushies 1276, 1277, 1278, and 1279, has
be interfered with by any of the proposed
continue to be utilized.

4. Under these circumstances, and
rate given by the Zemindar and the water-
there is nothing to show the channel was
