From

The Superintendent Revenue Survey.

To

The Secretary to Government
Revenue Department.

SIR,

On the 12th April 1873, a sum of Rs. 84-15-⁰⁰ pay of Head Surveyor Mr. Doune for the previous month was made over, by Mr. J. J. Tomlinson First Assistant Superintendent Revenue Survey, to the Surveyor's Head Peon Medur Mahomed Hasim for delivery to the Surveyor employed in the Royachoty talook.

2. On the Head Peon reporting that the money was missing on the morning of the next day Mr. J. Tomlinson at once suspended him & gave him into the custody of the Police on suspicion of theft or abetting theft.

3. The Assistant Superintendent Revenue Survey found shortly afterwards that the Peon Hasim had been released and that he was made to prosecute the inmate of the house adjoining the one from which the money had been stolen on

FOR ORDERS.

C. 1 August 1873 R. S. Chhapauk

a charge of House breaking &c. This charge broke down as the Acting Joint Magistrate of Buddapah by whom the case was investigated, saw no reasonable grounds to show that the suspicion was well founded.

4. Considering that the sum lost was small, that it could easily be carried about in the peon's person or entrusted to one of the five peons under his orders and that he failed to prove the charge of theft, I requested the Deputy Superintendent No. 3 Buddapah Survey party to have the Peon Hossain tried before a Magistrate for misappropriating Government money, though the charge could not easily be brought home to him. At the same time I pointed out that if the peon had been prosecuted in the first instance for misappropriation he might probably have been convicted.

5. Mr. J. Puckle now reports that the peon has been prosecuted as directed but without effect, that he has been dismissed from the date of his suspension viz 13th April 1873 & that Rs. 2-12-10 arrears of pay due to him are available to set off against the loss of Rupees 84-15-0.

6. I have the honour under the above circumstances to request that Government will be pleased to accord sanction to the difference Rs. 82-2-2 being re-drawn, to replace the advance made, as a temporary measure, to the Officer in charge of

of Royachoty talook in order to enable him to disburse to Mr. Donne his pay for March 1873.

I have the honour to be
