Proceedings of the Madras Government, Revenue Department,
17th April 1873.

No. 73. Read the following Proceedings of the Board of Revenue, dated 5th April 1873, Miscellaneous No. 2,057:—

Read Statement of compensation proposed to be granted for ryotwary lands taken up for public purposes in the Bellary District, dated 18th March 1873.

SUBMITTED for the orders of Government.

The Collector solicits sanction for the payment of a Money-Compensation of Rs. 250-12-0 for certain ryotwary lands, measuring acres 146-59$\frac{3}{8}$, and assessed at Rs. 83-9-4, taken up for the construction of a tank at Allipore in connection with the project for the supply of water to the Bellary Cantonment.

The compensation proposed by the Collector is moderate, and much below the selling price of similar land in the neighbourhood. The Board presume that the payees have consented to this arrangement.

The sum of Rs. 326-14-0, sanctioned in Government Order, dated 3rd July 1872, No. 1,030, was for the acquisition of a new village-site and assisting house-owners in reconstructing their houses on the new site.

No. 74. ORDER THEREON, 17th April 1873, No. 411.

Miscellaneous.

PAYMENT of the proposed compensation of Rs. 250-12-0 is sanctioned.

2. It is observed that this charge, like that sanctioned in Government Order, 3rd July 1872, No. 1,030, is debitable to the estimate for the Bellary Cantonment Water Supply Project.

3. Orders will be issued in the Public Works Department for the provision of funds.
